USING YOUR CELLCOM SIM CARD:

IMPORTANT: YOUR PHONE MUST BE UNLOCKED / SIM-FREE FOR USE IN ISRAEL.

- If your phone has dual-sim slots, use our SIM card in slot # 1.
- The SIM card will search for the mobile network and log on automatically.
- Insert the SIM only after landing in Israel, and while the phone is turned off.
- If you do not have network, turn off the phone and take out the SIM, insert the SIM back and turn on the phone.

NOTE:

- Calls to 144 (Directory Enquiries) and 1800/1900 numbers are not included in the package and can incur charges!
- We strongly recommend that you **use Wi-Fi for data-intensive activities** such as: streaming videos; uploading and downloading pictures; Skype voice calls etc. Free Wi-Fi is available in almost every coffee shop and restaurant in Israel.

LOCAL ISRAELI APPS:

If you register to an Israeli App or service (such as Taxi or Parking services) using our SIM cards:

MAKE SURE TO DISCONNECT AND REMOVE YOUR PERSONAL INFORMATION BEFORE LEAVING ISRAEL.

We will not be reliable for any charges.
